

# Christiaan Fourie

Visual Artist & Designer

I see myself as a creative Front-End Developer and Visual Artist with extensive experience in developing interactive and user-friendly web applications. Proficient in using a range of software, including Photoshop, After Effects, and Premier Pro, as well as front-end frameworks such as React, jQuery, Bootstrap, and Tailwind CSS. Knowledgeable in JavaScript and TypeScript, CSS styling, and HTML5 coding, with a strong eye for design and a passion for creating visually appealing and functional websites.

# More About..

## PERSONAL SKILLS & INTERESTS

- **Artistic:** I have a passion for art and creativity, enjoying the process of bringing my ideas to life through drawing and other forms of creation.
- **Creative:** I am constantly seeking new ideas and designs, using my imagination to bring new and innovative concepts to life.
- **Musical:** I enjoy escaping into the world of music, finding solace and relaxation in playing the guitar.
- **Inquisitive:** I am fascinated by the science of how the universe fits together, and have a natural curiosity for exploring new technologies and discovering new information.
- **Technologically Inclined:** I have a keen interest in the way the Internet fits together, and enjoy tinkering with computer code, which has allowed you to develop a strong understanding of technology.
- **Active:** I value an active lifestyle, participating in activities like free-running, visiting the forest, and surfing, which help me stay fit, healthy, and energized.
